

1st Grade

WEEKLY REPORT

Week of August 22nd

OUR LEARNING

SCIENCE: We started to learn about how a circuit works and we started to make ours. It was so much fun!

ENGLISH: Unit 8 CVC words short /e/.
Vocabulary: pen, egg, hen, gentlemen, tent, bed, teddy, jet.

LENGUAJE: Hemos visto la letra doble LL, hemos escrito y leído oraciones con doble LL. También, hemos repasado para la prueba trimestral (el uso de que, qui, ce, co y cu).

MATHS: We did feedback on the last test evaluation, learning from our mistakes by correcting them. Then, we practiced division using a number line. We had a summative assessment in pairs with the objective of manipulating quarters and recognizing which shapes are divided in quarters and which are not.

HUMANITIES: Students learnt activities kids did in the past.

Computing: Los alumnos aplican un nuevo personaje y fondo junto a una animación con cambio de escenario en Scratch Jr.

OBSERVATIONS/REMINDERS

Canciones 1ro básico

- Parts of the city
- Short e
