

1st Grade

WEEKLY REPORT

OUR LEARNING

SCIENCE: We made our electric circuit, it was so much fun!

ENGLISH: We made a reviewed about five senses & the unit of "City living" for our test.

LENGUAJE: Rendimos la prueba trimestral de lenguaje; hemos visto la letra "ll" y la letra "z" reconociendo su sonido e imágenes que contengan dichas letras. Por último, se refuerza la escritura de éstas en sus pizarras individuales.

MATHS: We did feedback on our excellent group evaluation. Then, we understood that one quarter of each shape is shaded. Also, we could describe one of four equal parts of a quantity or set of objects.

HUMANITIES: We learnt about activities children did in the past.

COMPUTING: Los alumnos crean su propio fondo en Scratch Jr. Unos minutos diarios practicando con el mouse en casa fortalecen la motricidad fina, precisión y autonomía de los niños.

Week of August 29th
