

1st Grade

WEEKLY REPORT

Week of August 8th

OUR LEARNING

SCIENCE: We continued practising for our Science Fair Final presentation.

ENGLISH: Unit 8 City places. What can you see/hear in the city?

I can see shops/traffic/traffic lights/roads/bus stop/buildings. I can hear people/traffic.

LENGUAJE: Empezamos a revisar la letra "Ñ". Hemos trabajado oraciones y palabras que contienen "ñ" en sus pizarras individuales y cuaderno de caligrafía.

MATHS: We solved a Maths Test. They also understood division as sharing (number of items per group), grouping (number of groups), repeated subtraction, and solved real life problems.

HUMANITIES: Revision from a past context, to describe a form of written communication.

Computing: Creamos un programa en Scratch Junior en el cual integramos los movimientos anteriormente aprendidos con el cambio de personaje, fondo y escenario, esto para dar el efecto que el personaje camina entre escenarios distintos.

OBSERVATIONS/REMINDERS

Canciones 1ro básico

- Parts of the city
- Parts of the city song
- Sounds in the city

Correo de Miss Fernanda.

mfortega@kendal.cl
