WEEKLY REPORT

Week of June 19th

OUR LEARNING

Science: We made a review about light sources.

Vocabulary: lightbulb, fire, screen, sun, traffic lights, stars, lava, fireflies, lamp, candle, fireworks, matches, lightning, flashlight

ENGLISH: Five senses:

See, touch, taste, hear, smell.

I can smell with my nose, touch with my hands.

Do you like the smell of flowers? Yes, I do/No, I don't.

LENGUAJE: Hemos repasado los sinónimos y antónimos. También hemos visto la letra V en sus cuatro formas, escrito y leído palabras. Por último, hemos leído y comprendido un cuento.

MATHS: Multiplication as repeated addition.

HUMANITIES: We made a review about what people ate and where the food came from, and we learnt food items from the past.

Computing: Creamos movimientos con giros en el programa Scratch Junior.
