

1st Grade

WEEKLY REPORT

Week of March 13th

OUR LEARNING

Science: This week we are learning to identify if some materials are man made or natural and what materials are made of : Wood, fabric, plastic, metal.

ENGLISH: Along the week we reviewed the following contents: Likes/dislikes, daily routines, can/can't & parts of the house and we started to learn the following contents: School items, transportation, what do we do at school? I do maths, I draw, write, sing.

LENGUAJE: Esta semana repasamos las vocales " I y U" de forma oral y escrita ligada e imprenta.
Sonido inicial y final
Riel caligráfico

MATHS: Within the week, we practiced counting on and back to 100.

Computing: Presentación de la asignatura.

Humanities: Identify what a community is, describe what makes up a community and we recognize community helpers.
