WEEKLY REPORT

OUR LEARNING

SCIENCE: We reviewed content for our test about Healthy habits & growing up

ENGLISH: Unit 7 – lets go!

Vocabulary: climb, fly, float, climb, slide, drive, ride, travel & sit down.

LENGUAJE: Hemos visto las letras “x” e “y”, practicado en las pizarras individuales la escritura de palabras que contengan dichas letras. También, hemos repasado la definición de anécdota.

MATHS: We developed our first test of the current term. We started with a new unit and worked in time tables by relating repeated addition with their corresponding multiplication. We recalled division and multiplication facts with cubes. Example: “2 x 4 = 8”, saying “Two, four times equals eight. 2 times 4 equals 8.”

HUMANITIES: We identified the 7 continents in our world.

COMPUTING: Repasamos la distribución del teclado viendo las teclas que más se utilizan, en qué momento y la correcta posición de las manos; terminamos con un pequeño dictado.
