WEEKLY REPORT

Week of July 24th

OUR LEARNING

SCIENCE: We identified how we use electricity and described how to be safe with it.

ENGLISH: Unit 8. What can you see in the city.
What can you hear in the city.

LENGUAJE: Hemos leído y comprendido un poema. También hemos leído y escrito la letra j. Por último, hemos repasado para la prueba de contenido.

MATHS: Division: share amounts between more than 2 groups.

HUMANITIES: We created a market stall poster to identify different foods and their origin.

Computing: Programamos transiciones de escenarios en el programa Scratch Jr.
