WEEKLY REPORT

Week of June 12th

OUR LEARNING

Science: We made a review about light sources.

Vocabulary: lightbulb, fire, screen, sun, traffic lights, stars, lava, fireflies, lamp, candle, fireworks, matches, lightning, flashlight

ENGLISH: Five senses:

See, touch, taste, hear, smell.

I can smell with my nose, touch with my hands.

Do you like the smell of flowers? Yes I do/No I don't.

LENGUAJE: Hemos leído y escrito palabras y oraciones con la letra b y h. También, hemos visto los sinónimos y antónimos.

MATHS: Mathematics June evaluation.

HUMANITIES: From a past context, we described what people ate and where the food came from. Also, we learnt food items from the past.

Computing: Creamos movimientos con saltos en el programa Scratch Junior.

SEL: Comenzamos el módulo 1 del taller socioemocional "Sembrando Semillas de Bondad".
