

2nd grade

Weekly Report

Week of August 17th – 21st

OUR LEARNING

SCIENCE:

- Science fair

ENGLISH:

- Identify body parts and different ways we can move
- Identify and describe actions happening now
- Use of quantifiers and long vowel sounds
- Sky vocabulary and phrases in past form

LENGUAJE:

-Aplicamos prueba del libro "Los pingüinos emperadores llegan al Norte Chico". Extrajimos información explícita en un texto instructivo del libro test Santillana. Planificamos y escribimos una carta. Por último, leímos y comprendimos un cuento popular.

HUMANITIES:

- Home, School and Community rules
- Consequences of not following rules

COMPUTING:

-Explicamos la importancia del Bloque esperar para que cada personaje se turne al momento de hablar.

MATHS:

- Divide 2 digits numbers by 2, 4, and 5

OBSERVATIONS/REMINDERS

I hope you're having a great week!

Thank you so much for your support during the Science Fair! I'll be sending you some pictures so you can see how our 2nd Grade students did.

Thank you again for preparing the experiments and for all your help and support throughout the entire process. I truly appreciate it!

See you soon! ☐

Upcoming End of Term evaluations:

Tuesday 25th: Humanities term test

Friday 28th: English term test

Monday 31st: Science term test

Thursday 3rd: Language's term test

Wednesday 9th: Maths term test
