

2nd grade

Weekly Report

Week of July 18th

OUR LEARNING

Science: This week, we talked about our digestive system. We learned more about our stomach, and intestines.

Vocabulary: Stomach, intestines, brain, nutrients, beat, exercise, lungs, blood, breath, heart, rate, pulse, blood vessels.

ENGLISH: We described ongoing actions.

Grammar: She is singing a song / They are playing with their toys/ I am talking with a friend.

Vocabulary: Dancing, writing, playing, running, cutting, reading, singing, jumping, making, smiling, wearing, using.

Moreover, students learn the difference between “ALL, MOST and SOME”.

LENGUAJE: Hemos planificado la escritura de una carta. Reforzamos sus partes (fecha y lugar, saludo, cuerpo, despedida y firma). Hemos analizado la intención de las cartas vistas en el texto.

SOCIAL SCIENCE: Esta semana aprendimos aspectos importantes de la Zona Central del territorio chileno. Reforzamos los paisajes, clima, flora y fauna.

MATHS: During the week, we practiced times tables 2, 3, 4, 5, 6, 8, 10 using rounding, inverse operation, zero, fact family and half strategy. Moreover, we applied multiplications in real life problems. We understood that multiples are the products of factors.

OBSERVATIONS/REMINDERS

Recordamos solamente
escribir al correo
institucional.
