

2nd grade

Weekly Report

Week of July 27th – 31st

OUR LEARNING

MATHS:

- Multiplication facts and multiplication as repeated addition

SCIENCE:

- Poles of magnets and what they do.
- Magnetic and non-magnetic materials.
- Shape of the Earth, Sun, and Moon.

ENGLISH:

- Importance of caring for planet Earth.
- Remember plants parts and their importance in the environment
- Importance of trees and recycling.

LENGUAJE:

- Trabajamos inferencia. También leímos y comprendimos un cuento, y repasamos el uso de mayúsculas inicial y punto. Por último, aplicamos la evaluación de contenidos.

HUMANITIES:

- Evolution of communication through the years.

COMPUTING:

- Integramos nuevos bloques a Nuestro programa (Aumentar tamaño, disminuir tamaño, transiciones de escenario).

OBSERVATIONS/REMINDERS

I hope you are doing great this week. Here's a message from Miss Ambar (Art teacher)

Favor traer el 05/08:

1. Palo de maqueta de 6x6 mm de 50 cm (puede ser de menos mms)
2. Cascabeles
3. Mostacillas o perlitas (opcional, para decorar su atrapavientos)

August 7th: Children's day
