

2nd grade

Weekly Report

Week of June 22nd

OUR LEARNING

SCIENCE:

- Push and pull forces
- Measurement with a forcemeter

ENGLISH:

- Read and write about the Sun, Earth, Moon and Stars
- British Fair preparations

LENGUAJE:

- Aplicamos la prueba del libro ``Caperucita roja Abuelita, detectives privados''. Luego, aplicamos ensayos pendientes SIMCE del libro Test Santillana. Después, identificamos las características y elementos de un instructivo. Por último, planificamos y escribimos un texto instructivo en el libro.

HUMANITIES:

- Understand how and why people save money.

MATHS:

- Understand the relationship between 2, 4, and 8 times tables.

COMPUTING:

- Desafiamos a los alumnos a crear una animación de baile en el programa *Scratch Junior*.

OBSERVATIONS/REMINDERS

I hope you are doing well. I have to say thank you for all your support during these months.

Remember to enjoy the children's holidays! They deserve it.

July 13th: Back to school!

July 16th: Virgen del Carmen Holiday
