

2nd grade Weekly Report

Week of March 16th

OUR LEARNING

SCIENCE:

- The importance of water and the right temperature for plants
- Plants, animals and humans life cycle
- Parts of a plant
- Parts of a plant that can be eaten

ENGLISH:

- Possessive pronouns
- Sounds /sh/ /ch/ /th/
- Content review
- Test n°1

LENGUAJE:

- Hemos leído un poema y visto su estructura. También empezamos a trabajar con el Test Santillana con el fin de comenzar anticipadamente la preparación del SIMCE. Por último, se realiza un trabajo con nota consistente en la escritura de un poema.

HUMANITIES:

- Poster creation
- Oral presentation

MATHS:

- Numerals and words up to 1.000

COMPUTING:

- Los estudiantes escriben actividades que los robots o computadores nos ayudan día a día.

OBSERVATIONS/REMINDERS

We have just finished our 3rd week of this year. Please remember to send the Learner's book and also the Workbook in case you haven't!

I hope you have a great weekend!

UPCOMING EVENTS/EVALUATIONS:

- Maths test: March 24th.
- Science test: March 26th.
