

2nd grade

Weekly Report

OUR LEARNING

SCIENCE: This week we continued talking about the moon and its different phases. Additionally, we created a poster about a famous astronaut.

ENGLISH: We practiced our speaking skills for our Solemn Test. Additionally, we practiced long /u/ sound: You, cool, root, room, foot, book, look, zoo, glue, few, too. Finally, we practiced for our Time for English.

LENGUAJE: Repasamos con una guía para la prueba trimestral y rendimos la prueba trimestral.

SOCIAL SCIENCE: Esta semana aprendimos los aportes de los pueblos originarios y los españoles en la sociedad actual. Por otro lado, también aprendimos el concepto “inmigrantes”, y “mestizo”.

MATHS: We did feedback on test units 7 and 17 at the beginning of this week. We continued converting kilograms into grams, converted grams into kilograms, measured mass and solved problems involving measuring of mass. Also, the class identified, described, classified, named and sketched 3D shapes.

COMPUTING: Discutimos sobre los dispositivos de salida de los computadores

Week of November 14th
