2nd grade Weekly Report

Week of November 2nd

OUR LEARNING

SCIENCE:

-We learned the importance of varied diets, identifying healthy food choices and understanding why drinking water is important. We also compared food according to their sugar, fat and salt contents.

ENGLISH:

-We created sentences using the English grammar structrure of past, present and future. We also learned some opposite words (day-night, big-small, clean-dirty) and words ending in -ly (quickly, happily, sadly, etc).

LENGUAJE:

-Identificamos las características y elementos de una infografía. También, planificamos y escribimos nuestra propia infografía ''Zorro culpeo'' y ''El monito del monte'', practicando la lectura con una velocidad adecuada.

HUMANITIES:

-Reconocimos y comparamos actividades realizadas por pueblos originarios. También, trabajamos replicando artesanías del pueblo Diaguita.

Computing

-Investigamos los sensores más comunes y qué hacen en el día a día.

MATHS:

- Properties of 3D shapes.

OBSERVATIONS/REMINDERS

Dear parents,

I hope you had a great week. We did not have evaluations this week as we were absolutely focused in the upcoming Time for English presentation. Also, the students were very motivated with the class trip on Saturday! I hope we have a great time!

Please remember to read The Nutcracker scripts so they don't forget their lines, and also the songs.

See you tomorrow! ☺

Upcoming Events and Evaluations:

November 12th: Time for English!
November 17th: Lenguaje Solemn Test
November 19th: English Solemn Test
