

2nd grade

Weekly Report

Week of October 13th to 16th

OUR LEARNING

SCIENCE:

This week, we explored animals' eyesight and learned about the special visual abilities of dragonflies, dolphins, dogs, snakes, sharks, and polar bears.

ENGLISH:

We learned where different animals build their homes, read a text in groups, and created informative posters about the reading.

LENGUAJE:

Esta semana planificamos y escribimos un texto narrativo. Analizamos una leyenda y sus características, identificando los personajes, el ambiente y la secuencia de los acontecimientos.

HUMANITIES:

Let's prepare for our oral presentation!

COMPUTING:

Los alumnos investigan en internet dispositivos de entrada y su principal función.

MATHS:

Estimate and subtract pairs of 3-digit numbers.

OBSERVATIONS/REMINDERS

I hope you've all had a lovely week and that everyone is doing well at home! Thank you so much for your thoughtful Teacher's Day gifts. All the hugs and "I love you" from the children made me feel so loved! ❤

Also, please remember to practise the songs and lines for Time for English at home. We've been practising in class, but they still need a little more practice. Thank you for your support!

See you next week! 😊

Upcoming Events and Evaluations:

19th: Social Science Presentations

22nd: Maths test
