2nd grade Weekly Report

Week of October 19th

OUR LEARNING

SCIENCE:

-Students learned about eye tests and practised identifying differences using various pictures. They also created a chart to record eye colours in the class, reviewed the five senses and completed a worksheet to reinforce their learning.

ENGLISH:

-Students reviewed vocabulary related to places in the city, including school, police station, hotel, café, library, restaurant, airport, cinema, hospital, museum and shopping centre.

LENGUAJE:

-Hemos reconocido palabras compuestas e identificado las palabras que las forman. También, hemos identificado y repasado los pronombres personales.

HUMANITIES:

-Realizaron presentaciones sobre pueblos indígenas. Recordaron conceptos como nómada u sedentarios junto a recordar vocabulario sobre los pueblos originarios.

MATHS:

- Equivalent fractions.

OBSERVATIONS/REMINDERS

I hope you've had a wonderful week! The Social Science presentations were amazing!

Thank you so much for the projects you sent in.

Everyone did a great job! Please remember to practice the lines for The Nutcracker script and the songs as well.

See you next week! ☺

Upcoming Events and Evaluations:

Wednesday 28th: Science test

Friday 30th: School anniversary
