

2nd grade

Weekly Report

Week of October 24th

OUR LEARNING

SCIENCE: This week we continue talking about the Moon, the Earth and the Sun. We reviewed they are spheres because of gravity.

ENGLISH: We continue learning about different type of houses. New vocabulary: Skyscraper, stilt house, adobe house and cave house. Additionally, we practiced for our time for english.

LENGUAJE: La noticia y sus partes y lo que lo caracteriza (titular, cuerpo de la noticia y cuerpo). Comprensión de los símbolos.

SOCIAL SCIENCE: Conocimos el concepto "Pluricultural", y lo aplicamos a lo aprendido sobre los pueblos originarios. Adicionalmente, seguimos reforzando la ubicación de los distintos pueblos.
Ejemplos: Changos, Aymaras, Atacameños, Mapuches, Pichunches, Pehuenches, Selk'nam, Huilliche.

MATHS: We revised unit 17 about fractions. We started unit 22 converting units of length; mm, cm, m, km. Moreover, the class understood that perimeter is the total distance around a 2D shape and can be calculated by adding lengths.

COMPUTING: Introdujimos y escribimos los dispositivos de entrada que tenemos en el día a día.

OBSERVATIONS/REMINDERS

Recordamos solamente
escribir al correo institucional.
