2nd grade Weekly Report

Week of October 26th

OUR LEARNING

SCIENCE:

-We reviewed content about the moon and completed the Unit 6 and 7 test

ENGLISH:

-We reviewed sea animal vocabulary, learned descriptive words and how to give directions, and practised for The Nutcracker play.

LENGUAJE:

-Realizamos evaluación de lectura ''Felpo''. Repasamos el uso de pronombres personales. Leímos y comprendimos una infografía.

HUMANITIES:

-Recordamos pueblos originarios y desarrollamos un pasaporte sobre pueblos indígenas respondiendo preguntas de estos.

Computing

-Introducimos los sensores como método de ingreso de información.

MATHS:

- Equivalent fractions.

OBSERVATIONS/REMINDERS

Dear parents,

Thank you for participating in our School Anniversary activities! The students were very happy and motivated throughout the week. Please remember to practice the lines of the play, as some students still need help remembering when it is their turn to speak.

See you next week! ☺

Upcoming Events and Evaluations:

November 12th: Time for English!
