

2nd grade

Weekly Report

Week of October 5th

OUR LEARNING

SCIENCE:

- We explored the sense of taste and smell
- We made a taste test
- We understood the sense of sight

ENGLISH:

- We did a reading test
- We identified and wrote words with long and short /u/ and /oo/ spellings

LENGUAJE:

- Aplicamos ensayo SIMCE en el libro Test Santillana. Leímos y comprendimos una leyenda. También identificamos las características de la leyenda y sus elementos. Por último, planificamos y creamos un texto narrativo.

HUMANITIES:

- Distinguimos similitudes y diferencias entre los pueblos originarios de la zona central y sur.

COMPUTING:

- Los alumnos investigaron distintos dispositivos de entrada de un computador y su descripción.

MATHS:

- We reviewed and practiced contents for the upcoming test.

OBSERVATIONS/REMINDERS

I hope you're having a great week!

Thank you for reading the texts for the English Reading Comprehension Test! The results were awesome! Also, don't forget we have another English test next week, but related to the contents we have seen in class. Remember to contact me on my e-mail for any enquiry you may have about the classes or the students.

I hope you have a wonderful weekend! ☺

Upcoming Events and Evaluations:
