Weekly Report

Week of September 28th

SCIENCE: OUR LEARNING

- We identified sounds and characteristics of objects by sounds.
- We demonstrated the use of the five senses to identify and describe objects and stimuli
- We explored the sense of taste and identified different flavours

ENGLISH:

- We read about different kinds of homes
- We talked about things in the future using "Will"
- We practiced for the Time For English Presentation

LENGUAJE:

- Hemos aplicado la prueba del libro Las Memorias de Hugo (el chanco de tierra). También hemos identificado el propósito de un texto; repasado el uso de tiempos verbales, y leído y comprendido un cuento.

HUMANITIES:

- Hicimos un mapa con pueblos originarios de Chile.
- Identificamos pueblos de la Zona Norte y Rapa Nui según las características y modo de vida.

COMPUTING:

- Exploramos qué funciones los computadores realizan más rápido que un humano y cómo es que la información ingresa a los dispositivos.

MATHS:

- Adding 3-digit numbers

OBSERVATIONS/REMINDERS

I hope you're having a great week!

Thank you so much for your help for the Science Experiments of the Five Senses! I know I asked for a lot of stuff but I am very grateful for your help sending everything.

Also, remember that the Blessing of the Animals was reschedule for October 9th at 17:00.

I hope you have a wonderful weekend! ☺
