

3rd Grade

WEEKLY REPORT

OUR LEARNING

MATHS: We multiplied 2 and 3 digits numbers with the grid method. We elicited problem solving by multiplying to get ready for next week's test.

ENGLISH: We read a traditional tale called 'A fair solution' and we learned some new vocabulary from that. Additionally, we revised Unit 7 and we started Unit 6, which is about Dinosaurs.

SCIENCE: We did the pre-presentations for the Science Fair and we practiced the dialogues.

LENGUAJE: Repasamos para la prueba de contenido de lenguaje. Hicimos varias guías de repaso; de lenguaje figurado, de figuras literarias, de rimas; punto seguido, aparte y final. Comprensión lectora.

SOCIAL SCIENCE: Esta semana aprendimos sobre la organización social, la vida comunitaria y las creencias de los griegos.

COMPUTING: Esta semana comenzamos a crear un programa en *Scratch Online*, el cual mezcla bloques que hemos aprendido en las últimas clases, a parte de eso hemos agregado nuevos bloques para comprender las coordenadas que podemos utilizar en *Scratch*.

Week of July 28th - Aug 1st

OBSERVATIONS/REMINDERS

Remember to return the books to school after studying for the Tests.

UPCOMING TESTS AUGUST

Tuesday 5th: Math Test
