

# 3<sup>rd</sup> Grade

## WEEKLY REPORT

### OUR LEARNING

**MATHS:** We used tests of divisibility by 2, 3, 4, 5 and 6, we grouped numbers to simplify multiplication and we multiplied 3-digit numbers and ones.

**ENGLISH:** We saw the use of object pronouns and solve puzzles and codes. In addition, we did a review for the test regarding Present Perfect and descriptions. To conclude, the students had the English test on Friday.

**SCIENCE:** Students brought the first advance on their experiments for the Science Fair, and they started doing their panels.

**LENGUAJE:** Esta semana hemos visto los prefijos y escrito el plural de palabras terminada en "z". Hemos hecho guías para ejercitar.

**SOCIAL SCIENCE:** Aprendimos sobre las necesidades de los Griegos y su vida hogareña. Además, aprendimos sobre transportes y rutas de viaje de la Antigua Grecia.

Week of July 21st- 25th

### OBSERVATIONS/REMINDERS

Remember that on July 28<sup>th</sup> the students have the pre-presentations for the Science Fair.

### UPCOMING TESTS JULY

Lenguaje: Jueves 31 de Julio
