

3rd Grade

WEEKLY REPORT

Week of September 29th - October 3rd

OUR LEARNING

MATHS: Within the week, students worked in unit 6 by subtracting 3-digit numbers with and without regrouping using 2 methods: expanded and formal.

ENGLISH: We wrote an explanation for our own inventions. In addition, we read a poem and made a revision of the unit.

SCIENCE: We talked about conductors and insulators in electrical appliances. We also saw different ways of electric circuits using other materials.

LENGUAJE: Hemos planificado y escrito una infografía. También, hemos visto lo que es el campo semántico.

SOCIAL SCIENCE: Esta semana vimos el clima, geografía y la importancia del mar mediterráneo para los romanos.

COMPUTING: Los alumnos comienzan a inventar su propio dispositivo inteligente del Internet de las cosas, explicando sus características más importantes.

OBSERVATIONS/REMINDERS

Remember to return the books to school after studying for the Tests.

UPCOMING TESTS OCTOBER

OCTOBER 7TH: MATHS TEST

OCTOBER 9TH: SCIENCE TEST
