

4th Grade

WEEKLY REPORT

Week of July 14th

OUR LEARNING

MATHS:

-We continued practicing zero, regrouping, place value and chunking methods to divide 2- and 3-digit numbers in real life problems. We were introduced to the expanded written method (Singapore).

ENGLISH:

-Revision of Past simple: Regular and Irregular Verbs
-Revision of parts of a story
-Classwork: planning a story and making a poster

SCIENCE:

- Unit 4: Digestive system. Parts and functions of the system.
- LB: 88, 89, 93 / WB: 51-52

LENGUAJE:

-Hemos trabajado con la interpretación de poemas.

SOCIAL SCIENCE:

- Inicio Unidad 3, Lección 1: El continente americano.
- Recordamos líneas imaginarias, continentes, océanos y climas.
- Texto: 80-87

FRENCH:

-Repaso a través de canciones, mímicas y juegos de las partes del cuerpo.
-Ensayo de dictado sobre las "pizarras pequeñas".
-Dictado de 7 de 11 partes del cuerpo aprendidas.

OBSERVATIONS/REMINDERS

“

**Work hard,
be kind, and
amazing things
will happen.”**

UPCOMING EVENTS

No olvidar los materiales para arte y traer materiales para realizar el panel de Science Fair.

-July 23rd: English Test
