Weekly report

Week of July 28th - August 1st

OUR LEARNING

MATHS: We solved additions and subtractions using different methods. We also identified numbers that make 10.

ENGLISH: We reviewed vocabulary of food and answered the question "Would you like some...?" with "Yes, please / No, thank you". We also used the expression "I would like some..."

SCIENCE: We identified the parts of flowers (roots, stem, leaves and flower)

LENGUAJE: Leímos la fábula "El león y el ratón" y palabras simples. Trabajamos en la construcción de palabras, también reconocimos y escribimos la sílaba faltante en una palabra.

OBSERVATIONS/REMINDERS

- Enviar prendas de vestir marcadas con el nombre.
- Reforzar el comportamiento dentro de la sala de clases (sentarse bien, no correr, guardar silencio para instrucciones, no sacarse los zapatos)
