Weekly report

Week of July 14th - July 18th

OUR LEARNING

MATHS: We found the difference in a subtraction.

ENGLISH: We remembered the vocabulary of Unit 5 (Hobbies).

SCIENCE: We identified what happened with magnets, objects that can sink and float, and materials around us.

LENGUAJE: Practicamos la construcción de palabras a través de sílabas.

OBSERVATIONS/REMINDERS

- Enviar prendas de vestir marcadas con el nombre.
- Reforzar el uso de palabras amables (por favor, gracias, ¿podrías...?)
