Weekly report

Week of July 25th

OUR LEARNING

MATHS: We practiced subtractions by finding the difference, using visuals and line numbers.

ENGLISH: We checked vocabulary related to food: chocolate, vegetables, beans, cake, sweets/candy, cereal, pineapple, fruits, rice, meat, crisps/chips and grapes. We also answered the question "Would you like some...?" "Yes, please/no, thank you".

SCIENCE: We checked objects that sink and float, differentiated between pull and push, identified magnetic, non-magnetic objects and different materials.

LENGUAJE: Trabajamos con la letra T, creamos un texto a través de una invitación. Formamos palabras a través de sílabas y practicamos la escritura de vocales y consonantes.

OBSERVATIONS/REMINDERS

- Enviar prendas de vestir marcadas con el nombre.
- Reforzar el comportamiento dentro de la sala de clases (sentarse bien, no correr, guardar silencio para instrucciones, no sacarse los zapatos)

Today a reader,
tomorrow a leader.
